

FFA LEADERSHIP CONTESTS

General Contest Rules

1. Contestants must be active FFA members and enrolled in high school grades 9-12.
2. **An individual student cannot participate in state contests that are scheduled to compete at the same time. Please check the schedule carefully.**

Due to the time restraints and location of events, a student may compete in **only one** of the following state contests each year:

- A. Creed Speaking
 - B. Prepared Public Speaking (including Division I, Division II, and Advanced)
 - C. Extemporaneous Speaking
 - D. Parliamentary Procedure
3. The number of entries per district in each contest is listed in the Guidelines under Allocation of Teams.
 4. All contestants in the FFA Leadership Contests must wear Official FFA Dress as identified in the current FFA Manual. Ten percent of the contestant's score will be deducted for any member in violation of this rule. (Black boots have been determined as acceptable for male members.)
 5. Contestants in **any** FFA Contest will **not** be allowed to hear or view other contestants or teams before or after their own presentation.
 6. A member who has competed in the Public Speaking Contest (Division I, Division II, or Advanced) or the Extemporaneous Public Speaking Contest on the state level will not be eligible to compete in the same contest again (effective 1997).
 7. No member is eligible to participate in the Parliamentary Procedure, Creed Speaking, and FFA Knowledge Contests more than one time on the state level.
 8. Only one person or organization will be permitted to videotape any FFA Contest. They will be responsible for making them available to all interested parties as convention highlights.
 9. The following scoring procedure will be used in the Prepared Public Speaking, Extemporaneous Speaking, Creed Speaking, and Parliamentary Procedure Contest:
 - a. When all contestants/teams have finished, each judge will total the score for each contestant/team. The timekeeper will record and present to each judge the contestant's time. The timekeepers' record will be used in computing the final score for each contestant. The judges' score sheets will then be submitted to the officials to determine final ratings of contestants/teams.

- b. Contestants/teams shall be ranked in numerical order on the basis of final score to be determined by each judged **without consultation with each other**. The judges' ranking for each contestant shall be added together. The winner will be the contestant whose total of the judges rankings is the lowest. Other placings shall be determined in the same manner (low ranking score method of selection). In case of a tie, that individual/team who has the highest ranking by judges will win (head to head comparison based on rank of the tied individual/team).

EXAMPLE:

Individuals/Teams were placed by three judges.

INDIVIDUALS/TEAMS:	I	II	III
Judge 1 ranked them:	2	3	1
Judge 2 ranked them:	3	1	2
Judge 3 ranked them:	2	3	1
TOTAL	7	7	4

Individual/Team III is the winner. Individuals/Teams I and II go head to head and their scores would be:

INDIVIDUALS/TEAMS:	I	II
Judge 1 ranked them:	1	2
Judge 2 ranked them:	2	1
Judge 3 ranked them:	1	2
TOTAL	4	5

Team/Individual I would be the winner in the head to head scoring.
